Multi-Family Residences

Lobbies & lounges that invite you in

Welcome everyone home with a soothing fire feature in the lobby. Set the mood in a clubroom lounge where residents can play or relax. Montigo offers limitless ways to configure your fireplace, making it simple for you to find the appropriate application for your project.

Power venting capabilities up to 500-ft and multiple air intake location options provide you with flexibility. With COOL-Pack glass technology you can evoke the warmth and safety of home without the liabilities associated with high glass temperatures.
